20-01-2026

To

All Concerned HODs

Sir,

Sub: - e-Office Version upgrade to eFile 7.3.15- Downtime intimation-reg:

Please be informed that an upgrade of current version of e-Office to eFile 7.3.15, has been scheduled for few of the eOffice instances included in phase 6, from 26th January 2026 to 13th February 2026. The list of instances which are selected for phase 6, as of now and the downtime required is mentioned below.

Hence, necessary communication may be given to eOffice users of the department that, the eOffice instance will not available during the mentioned period and inter-office communication with other instances will be possible when other eOffice instances are also upgraded to eFile 7.3.15. The same information is already published in the eOffice notice board of instances listed in below table.
